### **Fire safety**

All evacuation/fire signs will be replaced with new ones in the basement corridors. A new fire safety inspection will be carried out shortly, please do not have anything flammable in the basement corridors or stairwells.

Also remember not to have lights on in rooms that you are not in, and to check the batteries in the smoke alarms.

### **Snow removal**

The association has purchased a new tractor to make snow removal easier. To facilitate snow removal, please do not stand or walk behind the tractor when it is plowing. This can be dangerous as the tractor moves back and forth very quickly.

The property manager asks that no sledges be parked at the entrances as Mats needs the areas around the gate to be able to plow snow. The sledges should instead be stored in your basement storage or at the playgrounds. Bicycles that are not used during the winter months should be parked in the bicycle storage.

### **Reuse warehouse for original parts in the association's house**

The association is starting a reuse warehouse for original parts from our houses, such as doors, cabinets, hatches, fittings and other fixed interior details. The aim is to make use of high-quality building parts that would otherwise be lost during renovations, and to make it easier for members who want to restore or preserve the original indoor environment in their apartments.

The reuse warehouse is being gradually built up and organized on a non-profit basis. In the long term, information, advice and a register of stored parts will be available on the association's website.

Do you have original parts that you plan to remove, or are you looking for parts for restoration?

Welcome to contact us at: [aterbrukslagret@pennstrom.se](mailto:aterbrukslagret@pennstrom.se)

### **Mobile recycling center (ÅVC) and environmental station (MS)**

ÅVC will be at Ekorrstigen 2 (behind the pizzeria) on Monday January 26th, 16:30 - 19:30  
MS will be at Ekorrstigen 2, Thursdays in odd weeks, 7:35 - 8:00 PM.

See [Solna Municipality's website](#) for more information on what can be left at which function.

The board would like to thank you for a great year together in the association, and that we appreciate the trust of all the members. Last but not least, the board wishes everyone a

**MERRY CHRISTMAS AND A HAPPY NEW YEAR!**
