The Well-being Group

Music, singing, needlework, café, film, table tennis, philology, arranging a flower meadow - maybe you have an interest that you want to share with others in our association, and arrange activities around it. The association room on Björnstigen can be borrowed free of charge for activities that are open to all residents of the association to register for.

The Well-being Group is still there and can be reached at trivselgrupp1@gmail.com. We have previously purchased pallet collars and prepared a hobby room and association room, which can now be rented or borrowed by residents of the association. More fun can certainly be done and the board is usually always positive.

Emergency Response Team

The Emergency Response Team has inspected all of our shelters and asks everyone to please note that our shelters need to be kept ready and not used as storage for anything other than bicycles and assigned storage.

Pizza lot

The board will meet with Settler Properties at the end of the month to get more information on how a potential sale will affect the association.
