Bicycle cleaning and cleaning day with sausage grilling

On Sunday, November 9th, we will all hang out with our neighbors and at the same time help make our association extra nice by cleaning our parking lots and clearing out objects that do not seem to be in use.

Meeting point: At the small christmastree on the grass field Lostigen 28

Cleaning/Cleaning: 13.00-14.00

Sausage grilling: 14.00-15.00

This year we choose the strategy of marking bicycles, carts, and the like in advance that do not seem to be in use or that are wrong. The marking will take place on October 5th and applies to both outdoor and indoor objects.

Black and yellow tape is the marking that will be used. If you have any belongings that have been marked with tape that you want to keep, just remove the marking before November 9th to show that it should be kept.
