Fees 2027

In order to get the budget together, the board has decided to increase the fee by 2%. Parking spaces will be increased by the current CPI for September, i.e. 1.1%.

Subletting

The board has updated the information that applies to subletting, read it [here](#). The Board will hire [Hyria](#) to handle subletting instead of HSB. A written application for subletting must be sent to [Hyria](#) no later than two months before the current rental period from 1 December.

Cleaning day

The board would like to thank everyone who participated in the cleaning day! The basement passages and shelters have now been cleared, and the parking spaces have been raked of leaves and needles.

Stairwells and basement corridors

HSB has a page where they describe what can and cannot be placed in stairwells and basement corridors. It can be found [here](#).

Request regarding food waste management

Also throw your paper towels in the paper bags for food waste, and we will help each other reduce bad odors from the garbage bins. The paper bags are picked up in the respective basements, free of charge for all residents.

Note! Do not throw away food waste without a paper bag, please!

Read more about waste management on Stockholm Water and Waste's [website](#).

New industry rules for Safe Water

If you are going to renovate the kitchen or bathroom, it is important to follow the updated rules for [Safe Water](#).

For example, if you are going to change the dishwasher, there must be a humidity sensor, water alarm and an easily accessible water shut-off. Read more [here](#).

Terrace apartments

It's time to clean the floor drain on the terrace balcony. It is easy for leaves, needles and other rubbish to have accumulated there during the autumn that can clog the drainage. If you do not know how to do it, send in a case from the [website](#) and Mats can help you.

Mobile recycling center (ÅVC) and environmental station (MS)

ÅVC will be at Ekorrstigen 2 (behind the pizzeria) on Monday November 2nd, 16:30-19:30

MS will be at Ekorrstigen 2, Thursdays in odd weeks, 7:35 - 8:00 PM.

See Solna Municipality's website for more information on what can be left at which function.
